

Dear Bebi,

I know my words no longer have any meaning, but I did have words I want you to hear.

I WILL DO ANYTHING TO SAVE US AND OUR FAMILY!!! When I say the base is in "your" court I'm serious. I no longer have a leg to stand on. You tell me what I need to do to save us + I will! I think the first step should be to have you handle and manage ALL my money. I will see my checking account and give my check directly to you. That way, my money that goes out will be managed and accounted for. This way, I obviously couldn't be tempted to change or spend money, because I couldn't have any. I have proven that I can't be trusted and I can't trust myself, so I need you to control it for me.

So sadly, I think I do need to go to debtors anonymous. I HAVE A HUGE PROBLEM, and the problem is NOT about wanting THINGS, its about me thinking that things will make me loved, accepted, etc.

If you do not want to try to help me, or keep me around I COMPLETELY understand! I have ruined

I love you:

EVERYTHING between us and I will
NEVER forgive myself! You are the
most wonderful human on the face
of the earth and I didn't deserve you
2 1/2 years ago + I REALLY don't know!!!

I have always hated myself + that's
why I always wanted everyone else
to not see the real me. But the
real, shapicalde, pathetic me is out
& its up to you ~~I~~ to decide how to
handle that. You deserve way better
than all this shit + that's why I
wouldn't blame you or question
any decision you make. You have
tried to be patient, loving,
understanding + supportive, but
all five don't is fuck that up. Shit,
I'm fucked up ... why else would
I ruin everything + everyone I love.

I can never forgive myself and I
don't expect you to either. There
is NOTHING I can say or do at this
point that will help to make
things better. The best is gone
and I don't know if I ever
deserve or can get that back. At
the same time, You deserve not
to goe that road. You deserve not
trust and happiness, not me!

Again, I will do ANYTHING!!
If that means leaving I will ...
ANYTHING you name it! I

know you think I have done
this to you and that I don't love
or care about you. I do . . . I
love you + our family more than
anything . . . and I'll do whatever
it takes to keep that . . . if its
possible! I know it is meaningless,
but I am so, so, so sorry. I don't
because you love or you forgive me,
but please know that I did not
do any of this to hurt you. I am
fighting an internal war against
myself, not you, and Daddy, you
are a victim of the war! I never
ever meant to hurt or involve you.
When I came to you 21 years ago
I brought many, many worries +
problems . . . and I hope that they
became your problems. I already
hate myself + I completely
understand why you probably
do too. I don't want to hurt
anyone + I don't want to hurt
you anymore! Please tell me what
to do + I will! Now its about you,
not me, so please, please,
please tell me what to do . . .

I love you!
